

WHAT'S UP**SUMMER
CAMP**

The Eighteenth & Nineteenth Summer Camp on Entrepreneurial Stimulation for children, conducted by Entrepreneurship Development Institute of India (EDI), Ahmedabad, is a well structured intervention that aims at imparting applied skills to develop an entrepreneurial disposition in children. Children in the age group of 12-16 years would be exposed to various types of entrepreneurship stimulation activities including mental gyms and exercises, puzzle solving, quizzes, competitions, industrial visits and meetings with achievers.

For registration - Batch 1 - 1st May to 6th May, 2011 (last date for application is 25th April)
Batch 2 - 22nd May to 27th May, 2011 (last date for application is 15th May)
